# What is the “München-Pass” (Munich City Pass)?

The “München-Pass” (Munich City Pass) offers the citizens of Munich who are registered as living there a variety of benefits in the use of urban and non-urban facilities.

## Who can benefit?

- > Those receiving on-going “Hilfe zum Lebensunterhalt” (state support) and “Grundsicherung” (SGB XII) (financial maintenance).
- > Those receiving “Arbeitslosengeld II” (SGB II) (unemployment benefits II).
- > Those receiving benefits under the “Asylbewerberleistungsgesetz” (AsylbLG) (Asylum Seekers Benefits Act).
- > Those receiving “Wohngeld” (housing allowance) or “Kinderzuschlag” (child maintenance) and their family members.
- > Low-income individuals whose income does not exceed the required amount under laws that are applicable to them (except au pairs, apprentices and students). The “Bedarfssatz” (level of need) is typically based on the “Regelsatz” (standard rate) or regular benefit received, plus any “Mehrbedarf” (additional needs) and the “Kosten der Unterkunft” (costs of the accommodation). In addition, the limit applied to allocated amounts must not be exceeded.
- > Individuals below the Munich poverty risk threshold (net income per month) that applies to them, such as:
  - One-person household EUR 1,350
  - Two-person household EUR 2,025
  - Family with 1 child under 14 years of age EUR 2,430
  - Family with 1 child over 14 years of age EUR 2,700(except au pairs, apprentices, students). In addition, the threshold value of those assets to be used may not be exceeded.
- > Those participating in a voluntary social or ecological year, or volunteers in the context of the “Bundesfreiwilligendienst” (Federal National Service programme).

A separate **“München-Pass” (Munich City Pass)** shall be issued for the applicant and each eligible family member. All benefits can only be claimed upon presentation of a valid “München-Pass” (Munich City Pass).
