

Dear Residents,

We wish to inform you that during construction work north of the Westfriedhof, an unexploded World War II bomb has been detected. Currently, there is no immediate danger.

The bomb will be defused by the ordnance disposal service on Sunday, 23rd November 2025. As your residence falls within the designated exclusion zone, we must request that you vacate your home and the surrounding area by **no later than 9:00 AM on Sunday, 23rd November 2025**. The sooner the evacuation is completed, the sooner the defusal can take place, allowing you to return to your homes.

A temporary care facility will be established at Gymnasium München Moosach, Gerastr. 6, 80993 Munich, starting at 8:00 AM on Sunday. You are welcome to stay there until the defusal operations are complete. Shuttle buses operated by MVG will run in a circular route from the usual stops.

If you have any health concerns or require assistance, please contact us by Saturday, 22nd November 2025, at 11:00 AM at (089) 19222. We will arrange for medical transport if needed.
